Interpreter Problems? Tell us!

The Disabilities Rights Center and Northeast Deaf and Hard of Hearing Services want to hear from you! We are working to get interpreter services available to Deaf/HH people who need them at hospitals, doctor's offices, and with the police. We want to find out from Deaf/HH people if they have had problems. Please fill this out and return it to the Disabilities Rights Center.

Have you had a problem getting a sign language interpreter or CART Reporter at (please check):
