Know Your Voting Rights!

You have a right to:

- ◆ Register on the same day you vote
- ◆ Park in an accessible space at the registration and polling locations
- ◆ Have an accessible route from the parking space to the accessible entrance
- ◆ Use an accessible voting booth
- ◆ Vote privately and independently
- ◆ Choose to get assistance from a friend, family member, or poll worker. That person cannot try to influence your vote.
- ◆ If you make a mistake on your ballot, you can turn it in and get another one.

Steps to Voting

1. Register

- At your city/town clerk's office at least 10 days before the election.
- At the polls on election day.
- By mail. If you have a physical disability that prevents you from registering in person, ask your city/town clerk for an absentee voter registration. Make sure it gets returned to the clerk's office at least 10 days before the election.
- You will need to provide proof of your age and where you live.

If you live in an institution, you are still entitled to vote unless that right has specifically been suspended or terminated by law due to felony incarceration or guardianship. Most people with guardians still retain their right to vote.
