**DRC-NH Staff:** ...what steps you and your campaign are taking to engage and employ folks with disabilities? And what efforts are you taking to make sure that your campaign events are accessible?

**Kirsten Gillibrand:** So, we're gonna make sure that all of our campaign events are accessible as possible

**DRC-NH Staff:** Even house parties?

**KG:** Yeah, why not? Why not work and try to make sure people can come?

**DRC-NH Staff:** inaudible.

**KG:** Yeah, so maybe we can get a ramp and just travel with it you know? The other thing we could do is look for homes that are already accessible as a preference, obviously. But any ideas you have, I'd like to hear about them.

**DRC-NH Staff:** Wonderful, I'll email you guys.

**KG:** Yeah, if there's other ideas about how to make sure we are the most accessible campaign, that would be amazing.

**DRC-NH Staff:** And today you had the American Sign Language Interpreter.

**KG:** Yes, so we'll keep working on it. We want everybody to participate.
