Samuel: Hi Jen, my name is Samuel Habib, I am a 21 year old college student and aspiring film-maker from Concord, New Hampshire. Can you tell the viewers about yourself and what they can expect if they contact the Disability Rights Center of New Hampshire for help?

Jennifer: Great, thanks for the question Samuel, and thanks for coming to the Disability Rights Center today. I'm so happy to have you here, and I'm so honored to meet you. I've just been hired, so I'm new to the Disability Rights Center, but I'm going to be doing employment work for them, I'm going to be helping individuals with disabilities both find work, keep that work with reasonable accommodations, and also if they just feel they're being discriminated against, based on a disability, I'm going to help them through that process too. I've come to the Disability Rights Center from private practice. I've been a lawyer for 30 years and I've been helping employees during that time. I'm so happy to be here and help people at the Disability Rights Center.
